

# TRAINEE COMPUTER PROGRAMMERS

LOLA has four vacancies in its Projects Division, where new applications are being developed using the latest techniques for writing batch and teleprocessing programs in PL/I on an IBM 370/158

LOLA (London On-line Local Authorities) is a consortium of 4 London Boroughs and is based in Enfield Town in a modern office suite.

Trainees are recruited as school-leavers with 'A' levels, who start at £\_\_\_\_\_ and as graduates who start from £\_\_\_\_\_. The trainee scale goes up to £\_\_\_\_\_. There are ample opportunities to transfer to Systems Analysis and Technical work.

There is a thriving Sports & Social Club, which runs teams for major sports as well as organising many other activities. There is a subsidised canteen in the building.

Full details and an application form can be obtained from:
